### Superintendent's Highlights

The District is committed to providing excellence through Education for each student that passes through our doors. We have been striving toward this goal since 1985 and continue to emphasize well-rounded performance and experience in the academics, arts and activities. 2002 Music Department performances to San Francisco (Chorus) and Vancouver, Canada (Band/Auxiliary). Exemplary success in local, state and national competitions by the Business Professionals and Future Farmers Competition Teams. Extensive Science Field Studies to Yellowstone, Coastal Tidal Pools and the Snake River.

In our democratic society it is imperative to develop responsible participants and we must work closely with the home and community to achieve this end. It is our major goal to provide students with a superior basic education plus the many enhancements they will need to survive in an obviously complex 21<sup>st</sup> century. Named USA Rural Community School District (nomination by Boise School District).
